This document contains very specific directions about how to complete these items:

- Account Setup
- Profile Setup
- Portfolio Title
- Portfolio Purpose
- How to set your Portfolio to Public, so your professor and classmates can see it

Please note that you are required to use images that are copyright-free. Review this document to understand how to search for images that are appropriately licensed for your work in this course.

### **Hints for Next Week:**

You will create new entries for your own ePortfolio. This work is not required for this week, but you might begin to think about what you might want to write, and what images you might want to use for the sections of your ePortfolio called:

- Autobiography (7,000 character limit) and
- Professional Goals (7,000 character limit)
- Résumé (If you haven't recently update yours, you could get a head start on that this week.)

## **Week 2 - Personal and Professional Background Pages**

### **ePortfolio Work**

This week, you will create new entries for your own ePortfolio.

Review the sample ePortfolio created in Pathbrite for this course.
